Dear Dr. Bursztyn;

We found that some mutants of ColI affect the synthesis of S.typhimurium LPS. We are therefore planning to test the effect of plasmids on some S.typhimurium mutants with definite defects in LPS synthesis. I should be very grateful to you for sending us the following strains S.typhimurium LT2:

SL 1032 rfa G471, SL 1060 rfa H487, SL 1657 gal E 496.

With best regards

  
Prof.dr Z. Lorkiewicz
